

CHB Toy Library Newsletter

FEBRUARY 2015

Kia Ora and welcome to all our Members!

We Hope everyone has had a safe and happy holidays! 2015 is well underway and it is a busy time at the toy library. Last year we received a grant from Lotteries Commission for \$900 to put towards new toys, these have now finally all arrived. We are very thankful for their kind donation and we now have a great selection of dress ups, puzzles & animal collections. The toy library would also like to thank Centralines who kindly donated \$500 towards new toys.

With only a few months left before winter, now is the time to make the most of our range of outdoor and water play toys.

STOCKTAKE 2015

Can you be of assistance? We are looking for as many volunteers as possible to help stock take the toy library.

Come join us for a friendly Pizza evening!

What: This year we are planning to stock take the library's toys over a few evenings. We have found weekends quickly fill up with precious family commitments & during the week would be more manageable.
